Total number of teacher preparation programs:

Program Requirements

THIS PAGE INCLUDES:

- >> [Undergraduate Requirements](#)
- >> [Postgraduate Requirements](#)
- >> [Supervised Clinical Experience](#)

Check the elements required for admission (entry) into and completion (exit) from the program. If programs are offered at the undergraduate level and postgraduate level, complete the table for both types of programs. [\(\\$205\(a\)\(1\)\(C\)\(i\)\)](#)

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Full-time equivalent faculty supervising clinical experience](#)
- [Adjunct faculty supervising clinical experience](#)
- [Cooperating Teachers/PreK-12 Staff Supervising Clinical Experience](#)
- [Supervised clinical experience](#)

Undergraduate Requirements

1. Are there initial teacher certification programs at the undergraduate level?

- Yes
 No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the table below blank (or [clear responses already entered](#)) then click save at the bottom of the page.

Element	Admission	Completion
Transcript	<input type="radio"/> Yes <input checked="" type="radio"/> No	<input type="radio"/> Yes <input checked="" type="radio"/> No

2. What is the minimum GPA required for admission into the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

3. What is the minimum GPA required for completing the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

4. Please provide any additional information about the information provided above:

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2018-19. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

Are there programs with student teaching models?

- Yes
 No

If yes, provide the next two responses. If no, leave them blank.

Programs with student teaching models (most traditional programs)	
Number of clock hours of supervised clinical experience required prior to student teaching	<input type="text" value="131.25"/>
Number of clock hours required for student teaching	<input type="text" value="640"/>

Are there programs in which candidates are the teacher of record?

- Yes
 No

If yes, provide the next two responses. If no, leave them blank.

Programs in which candidates are the teacher of record in a classroom during the program (many alternative programs)	
Number of clock hours of supervised clinical experience required prior to teaching as the teacher of record in a classroom	<input type="text"/>
Number of years required for teaching as the teacher of record in a classroom	<input type="text"/>

All Programs

Number of full-time equivalent faculty supervising clinical experience during this academic year (IHE staff)

5

[Optional tool](#) for automatically calculating full-time equivalent faculty in the system

Number of adjunct faculty supervising clinical experience during this academic year (IHE staff)

20

Number of cooperating teachers/K-12 staff supervising clinical experience during this academic year

68

Number of students in supervised clinical experience during this academic year

48

Please provide any additional information about or descriptions of the supervised clinical experiences:

Supervised clinical experiences prior to student teaching range from 100 to 185 clock hours. The Elementary Education program, Middle Level program, and Secondary program each require a minimum of 100 clock hours. The Early Childhood Education Inclusive and Special Education program require and minimum of 135 clock hours and 140 clock hours, respectively. The average required clock hours of these four programs is equal to 131.25 clock hours. The numbers in the table above regarding supervising faculty and number of students (48) reflect those involved in the student teaching segment of supervised clinical experiences. In addition to these numbers, an additional 141 candidates participated in supervised field experiences prior to/other than student teaching. Supervisors for these pre-student teaching field experiences included 6 full-time faculty, 3 adjunct faculty supervisors, and 150 adjunct faculty cooperating teachers (including both IHE and PK-12) during the year.

Enrollment and Program Completers

THIS PAGE INCLUDES:

>> [Enrollment and Program Completers](#)

In each of the following categories, provide the total number of individuals enrolled in teacher preparation programs for an initial teaching credential and the subset of individuals enrolled who also completed the program during the academic year.

(§205(a)(1)(C)(ii))

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Enrolled Student](#)
- [Program Completer](#)

Enrollment and Program Completers

2018-19 Total	
Total Number of Individuals Enrolled	144
Subset of Program Completers	40

Gender	Total Enrolled	Subset of Program Completers
Male	32	8
Female	112	32
Non-Binary/Other	0	0
No Gender Reported	0	0
Race/Ethnicity	Total Enrolled	Subset of Program Completers
American Indian or Alaska Native	0	0
Asian	1	0
Black or African American	1	0
Hispanic/Latino of any race	4	1
Native Hawaiian or Other Pacific Islander	0	0
White	130	34

Race/Ethnicity	Total Enrolled	Subset of Program Completers
Two or more races	4	2
No Race/Ethnicity Reported	4	3

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Academic Major](#)

THIS PAGE INCLUDES:

- >> [Teachers Prepared by Subject Area](#)
- >> [Teachers Prepared by Academic Major](#)

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2018-19.

For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

What are CIP Codes?

No teachers prepared in academic year 2018-19

If your program has no teachers prepared, check the box above and leave the table below blank (or [clear responses already entered](#)).

What are CIP codes? The Classification of Instructional Programs (CIP) provides a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completions activity. CIP was originally developed by the U.S. Department of Education's National Center for Education Statistics (NCES) in 1980, with revisions occurring in 1985, 1990, and 2000 (<https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55>).

CIP Code	Subject Area	Number Prepared
13.10	Teacher Education - Special Education	<input type="text" value="5"/>
13.1202	Teacher Education - Elementary Education	<input type="text" value="13"/>

CIP Code	Subject Area	Number Prepared
13.1203	Teacher Education - Junior High/Intermediate/Middle School Education	3
13.1210	Teacher Education - Early Childhood Education	14
13.1301	Teacher Education - Agriculture	0
13.1302	Teacher Education - Art	0
13.1303	Teacher Education - Business	0
13.1305	Teacher Education - English/Language Arts	3
13.1306	Teacher Education - Foreign Language	0
13.1307	Teacher Education - Health	0
13.1308	Teacher Education - Family and Consumer Sciences/Home Economics	0
13.1309	Teacher Education - Technology Teacher Education/Industrial Arts	0
13.1311	Teacher Education - Mathematics	1
13.1312	Teacher Education - Music	1
13.1314	Teacher Education - Physical Education and Coaching	7
13.1315	Teacher Education - Reading	0
13.1316	Teacher Education - Science Teacher Education/General Science	0
13.1317	Teacher Education - Social Science	0
13.1318	Teacher Education - Social Studies	0
13.1320	Teacher Education - Trade and Industrial	0
13.1321	Teacher Education - Computer Science	0
13.1322	Teacher Education - Biology	0
13.1323	Teacher Education - Chemistry	0
13.1324	Teacher Education - Drama and Dance	0
13.1328	Teacher Education - History	0
13.1329	Teacher Education - Physics	0
13.1331	Teacher Education - Speech	0

CIP Code	Subject Area	Number Prepared
13.1337	Teacher Education - Earth Science	<input type="text" value="0"/>
13.14	Teacher Education - English as a Second Language	<input type="text" value="2"/>
13.99	Education - Other Specify: <input type="text"/>	<input type="text" value="0"/>

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2018-19. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. [\(\\$205\(b\)\(1\)\(H\)\)](#)

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

[What are CIP Codes?](#)

Do participants earn a degree upon completion of the program?

- Yes
 No

No teachers prepared in academic year 2018-19

If your program does not grant participants a degree upon completion, or has no teachers prepared, leave the table below blank (or [clear responses already entered](#)).

CIP Code	Academic Major	Number Prepared
13.10	Teacher Education - Special Education	<input type="text" value="5"/>

Program Assurances

THIS PAGE INCLUDES:

>> [Program Assurances](#)

Respond to the following assurances. Note: Teacher preparation programs should be prepared to provide documentation and evidence, when requested, to support the following assurances. ([§205\(a\)\(1\)\(A\)\(iii\)](#); [§206\(b\)](#))

Program Assurances

1. Program preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- Yes
 No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- Yes
 No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- Yes
 No
 Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- Yes
 No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- Yes
 No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- Yes
 No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- Yes
 No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

The School of Education (SOE) has successfully embedded each of these critical concepts within one or more courses that are required for all pre-service teacher candidates. The SOE continues to combine course curriculum with field experiences that provide applicable experience in working with diverse students in both rural and urban settings and allow candidates to apply the knowledge and skills in the actual classroom with learners. ELL field experiences are currently embedded into two courses that assure that all teacher candidates will have opportunities to work with ELL students and develop strategies for impacting their learning. The ESL supplemental endorsement program was added 2017-18.

Annual Goals: Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

[\(§205\(a\)\(1\) \(A\)\(i\), §205\(a\)\(1\)\(A\)\(ii\), §206\(a\)\)](#)

Please note that the goals you set last year are not pre-loaded into your report because the Department's changes to wording of the questions in this section make them incompatible for pre-loading from last year's data. Next year, your goals will be pre-loaded into your report based on the goals you enter this year.

In order to complete this section, you may find it helpful to review your goals in your 2019 report. You may download and review your 2019 report by following the following steps: 1) click the Home tab, 2) click "Academic Year 2018-19 Data" in the banner near the top of the page to expand the dropdown, and select "Academic Year 2017-18 Data," 3) Click Download Report.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Quantifiable Goals](#)

THIS PAGE INCLUDES:

- >> [Report Progress on Last Year's Goal \(2018-19\)](#)
- >> [Review Current Year's Goal \(2019-20\)](#)
- >> [Set Next Year's Goal \(2020-21\)](#)

Report Progress on Last Year's Goal (2018-19)

1. Did your program prepare teachers in mathematics in 2018-19?

If no, leave remaining questions for 2018-19 blank (or [clear responses already entered](#)).

- Yes
 No

2. Describe your goal.

Peru State College will add one prospective teacher to the program in mathematics in the 2018-2019 academic year.

3. Did your program meet the goal?

- Yes
 No

4. Description of strategies used to achieve goal, if applicable:

Each year, the college hosts the Math Contest. This contest was started by area high school mathematics instructors to foster and develop mathematics education in Southeast Nebraska. To ensure prospective students are reached at a young age, Brain Quest, an event that promotes hands-on

mathematical learning for students in third grade, is held. The event reaches over 200 students each semester.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Each year, the college hosts the Math Contest. This contest was started by area high school mathematics instructors to foster and develop mathematics education in Southeast Nebraska. To ensure prospective students are reached at a young age, Brain Quest, an event that promotes hands-on mathematical learning for students in third grade, is held. The event reaches over 200 students each semester. The school enables students to complete the required Educational Foundations course required of Nebraska Educators Rising chapters. Areas of teacher shortage are stressed when recruiting prospective students to the teaching profession (mathematics, science, special education). The School of Education conducts a monthly Teacher Education Committee meeting comprised of representative faculty from content areas in which we offer teaching endorsements. Content area faculty are provided opportunities to support and grow teacher training within their content areas through participation in professional development workshops and state meetings. This is often accomplished via collaboration with School of Education faculty. Additional strategies to increase teacher candidates in the field of Mathematics includes prospective student visits with both content area faculty and School of Education faculty, recruiting on community college campuses, and hosting other P-12 events on and off campus.

6. Provide any additional comments, exceptions and explanations below:

Review Current Year's Goal (2019-20)

7. Is your program preparing teachers in mathematics in 2019-20? If no, leave the next question blank.

- Yes
 No

8. Describe your goal.

Peru State College will add two prospective teachers to the program in mathematics in the 2019-2020 academic year.

Set Next Year's Goal (2020-21)

9. Will your program prepare teachers in mathematics in 2020-21? If no, leave the next question blank.

- Yes
 No

10. Describe your goal.

Peru State College will add two prospective teachers to the program in mathematics in the 2020-2021 academic year.

Annual Goals: Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

Report Progress on Last Year's Goal (2018-19)

1. Did your program prepare teachers in science in 2018-19?

If no, leave remaining questions for 2018-19 blank (or [clear responses already entered](#)).

- Yes
 No

2. Describe your goal.

Add 1 prospective teacher to the program in science.

3. Did your program meet the goal?

- Yes
 No

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

We partner with Education Service Unit #4 to promote Educators Rising chapters in ESU #4 schools by offering resources to enable students to complete the required Educational Foundations course required of Nebraska Educators Rising chapters. In addition, areas of teacher shortage are stressed when recruiting prospective students to the teaching profession (mathematics, science, special education) during on-campus prospective student visits, career fairs at area schools, program information provided on the School of Education website, and through academic advising. The School of Education conducts a monthly Teacher Education Committee meeting comprised of representative faculty from content areas in which we offer teaching endorsements. Content area faculty are provided opportunities to support and grow teacher training within their content areas through participation in professional development workshops and state meetings. This is often accomplished via collaboration with School of Education faculty. Additional strategies to increase teacher candidates in the field of Science includes prospective student visits with both content area faculty and School of Education faculty, recruiting on community college campuses, and hosting other P-12 events on and off campus.

6. Provide any additional comments, exceptions and explanations below:

Review Current Year's Goal (2019-20)

7. Is your program preparing teachers in science in 2019-20? If no, leave the next question blank.

- Yes
 No

8. Describe your goal.

Add 2 prospective teachers to the program in science.

Set Next Year's Goal (2020-21)

9. Will your program prepare teachers in science in 2020-21? If no, leave the next question blank.

- Yes
 No

10. Describe your goal.

Add 2 prospective teachers to the program in science.

Annual Goals: Special Education

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

[\(§205\(a\)\(1\) \(A\)\(i\), §205\(a\)\(1\)\(A\)\(ii\), §206\(a\)\)](#)

Please note that the goals you set last year are not pre-loaded into your report because the Department's changes to wording of the questions in this section make them incompatible for pre-loading from last year's data. Next year, your goals will be pre-loaded into your report based on the goals you enter this year.

In order to complete this section, you may find it helpful to review your goals in your 2019 report. You may download and review your 2019 report by following the following steps: 1) click the Home tab, 2) click "Academic Year 2018-19 Data" in the banner near the top of the page to expand the dropdown, and select "Academic Year 2017-18 Data," 3) Click Download Report.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Quantifiable Goals](#)

THIS PAGE INCLUDES:

- >> [Report Progress on Last Year's Goal \(2018-19\)](#)
- >> [Review Current Year's Goal \(2019-20\)](#)

Report Progress on Last Year's Goal (2018-19)

1. Did your program prepare teachers in special education in 2018-19?

If no, leave remaining questions for 2018-19 blank (or [clear responses already entered](#)).

- Yes
 No

2. Describe your goal.

Add 5 prospective teachers in the special education program.

3. Did your program meet the goal?

- Yes
 No

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

4 candidates were added to this program, so the goal was not quite met. Program revitalization continues at the undergraduate level and some courses are being cross listed with graduate programs to offer a Behavior Interventionist endorsement. Many P-12 partnerships occur to highlight the importance of special education with volunteers from public schools, higher education, faculty, staff, and the community. Faculty members in the area of special education have developed a mentoring program to recruit new majors.

6. Provide any additional comments, exceptions and explanations below:

Review Current Year's Goal (2019-20)

7. Is your program preparing teachers in special education in 2019-20? If no, leave the next question blank.

- Yes
 No

8. Describe your goal.

Add 5 prospective teachers in the special education program.

Set Next Year's Goal (2020-21)

9. Will your program prepare teachers in special education in 2020-21? If no, leave the next question blank.

- Yes
 No

10. Describe your goal.

Add 6 prospective teachers in the special education program.

Annual Goals: Instruction of Limited English Proficient Students

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

10. Describe your goal.

Add 2 prospective teachers to the program for limited English proficient students.

Assessment Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. [\(§205\(a\)\(1\)\(B\)\)](#)

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact Westat's Title II Support Center and your testing company representative.

Low-Performing

THIS PAGE INCLUDES:

>> [Low-Performing](#)

Provide the following information about the approval or accreditation of your teacher preparation program. ([§205\(a\)\(1\)\(D\)](#), [§205\(a\)\(1\)\(E\)](#))

Low-Performing

1. Is your teacher preparation program currently approved or accredited?

- Yes
- No

If yes, please specify the organization(s) that approved or accredited your program:

- State
- CAEP
- AAQEP
- Other specify:

PSC will seek accreditation through CAEP fall 2022

2. Is your teacher preparation program currently under a designation as "low-performing" by the state?

- Yes
- No

Use of Technology

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

[>> Use of Technology](#)

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. ([§205\(a\)\(1\)\(F\)](#))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction

Yes
 No

- b. use technology effectively to collect data to improve teaching and learning

Yes
 No

- c. use technology effectively to manage data to improve teaching and learning

Yes
 No

- d. use technology effectively to analyze data to improve teaching and learning

Yes
 No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

All candidates complete the Education Technology course as part of the requirements for their program. In addition, application and uses of instructional technology are embedded throughout Education coursework required for all teacher education programs. Students are required to utilize technology to develop instruction, assessment materials, and analyze data to inform the impact on student learning, as well as demonstrate competency in using various technology platforms utilized by P-12 schools. Clinical Practice requirements ensure that technology is used to collect, manage, and analyze data in order to improve teaching and learning through the completion of the Instructional Analysis Project. The Nebraska Clinical Practice Evaluation tool assesses each of the candidates on their abilities to utilize technology to positively impact student learning. Students also use technology to develop and present their professional portfolios, which represent their ability to meet the standards established for teacher education at Peru State College.

Teacher Training

THIS PAGE INCLUDES:

>> [Teacher Training](#)

Provide the following information about your teacher preparation program.

(§205(a)(1)(G))

Teacher Training

1. Provide a description of the activities that prepare general education teachers to:

a. Teach students with disabilities effectively

All teacher education candidates must successfully complete SPED 200: Introduction to Special Education, which prepares general education teachers to positively impact the learning of students with disabilities.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

All teacher candidates must take and successfully complete two courses to prepare them for successful participation on individualized education program teams: Introduction to Special Education (SPED 200) and Professional Collaboration with Parents and Families (EDUC 438).

c. Effectively teach students who are limited English proficient.

All teacher candidates must take and successfully complete either EDUC 334 (Teaching Reading in the Elementary) or EDUC 434 (Content Literacy Across the Curriculum) to ensure they are prepared to teach students who are limited English proficient. Both of those courses provide not only content, but hands-on partnership experiences to prepare candidates for teaching students who are limited English proficient. Beyond these courses, additional content and assessments are implemented across program coursework to address these areas and ensure that candidates have the knowledge and skills needed to meet the needs of these students.

2. Does your program prepare special education teachers?

 Yes

 No

If yes, provide a description of the activities that prepare *special education teachers* to:

a. Teach students with disabilities effectively

All teacher education candidates must successfully complete SPED 200: Introduction to Special Education which prepares general education teachers to positively impact the learning of students with disabilities.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

All special education teacher candidates must successfully complete a required set of special education courses and experiences to ensure they are prepared to teach students with varied disabilities. The special education program offered at PSC requires 33 hours of coursework specifically in special education. All special education candidates must also successfully complete EDUC 334: Teaching Reading in the Elementary/Middle School to ensure that they have been prepared to teach students who are limited English proficient.

c. Effectively teach students who are limited English proficient.

All teacher education candidates must also successfully complete either EDUC 334 Teaching Reading in the Elementary/Middle School or EDUC 434 Content Literacy across the Curriculum to ensure they are prepared to teach students who are limited English proficient. Beyond these specific courses, additional content and assessments are implemented across program coursework to address these areas and ensure that candidates have the knowledge and skills needed to meet the needs of these students.

Contextual Information

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

>> [Contextual Information](#)

Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

Peru State College uses three benchmarks for teacher education programs - admission to teacher education, admission to clinical practice, and program completion. Admission to teacher education includes minimum GPAs, completion of specific courses/experiences and professional disposition interviews, background checks, portfolio review, and required Praxis CORE scores. Admission to clinical practice includes admission to teacher education in addition to minimum GPAs, completion of specific courses/experiences, a background check and portfolio review. Program completion includes minimum GPAs and successful completion of clinical practice and all coursework. Candidates cannot complete a teacher education program without meeting all requirements for each benchmark. Field experiences begin in the sophomore year (20 hours) and continue in the junior/senior years (80-165 hours). Clinical Practice is completed the final semester of the program and requires 16 weeks of full day experiences. All clinical experiences require the completion of an evaluation of performance and professional dispositions, as well as a time log to ensure minimum requirements. As a result of data analysis, course curricula have been modified to more successfully address candidates' strengths and weaknesses as well as the needs of the profession. In addition, course formats have been modified to more successfully provide access to courses/programs.

Supporting Files

No files have been provided.

You may upload files to be included with your report card. You should only upload PDF or Microsoft Word or Excel files. These files will be listed as links in your report card. Upload files in the order that you'd like them to appear.

Report Card Certification

Please make sure your entire report card is complete and accurate before completing this section. Once your report card is certified you will not be able to edit your data.

Certification of submission

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the *Higher Education Opportunity Act, Title II: Reporting Reference and User Manual*.
