

**NEBRASKA DEPARTMENT OF EDUCATION**  
**2015-16 Persistently Lowest Achieving Schools (PLAS)**  
**Based on 2014-15 Data**

**NOTE:** The March 1, 2012, U.S. Department of Education School Improvement (SIG) Guidance states, *Section I.A.1 of the SIG final requirements provides that, “[t]o award School Improvement Grants to its LEAs, consistent with section 1003(g)(6) of the ESEA, an SEA must define three tiers of schools . . .” Section II.B.10 of the SIG final requirements further provides that, “[i]n identifying Tier I and Tier II schools in a State for purposes of allocating funds appropriated for School Improvement Grants under section 1003(g) for any year subsequent to FY 2009, an SEA must exclude from consideration any school that was previously identified as a Tier I or Tier II school and in which an LEA is implementing one of the four interventions identified in these requirements using funds made available under section 1003(g) of the ESEA.” Taken together, these provisions require an SEA to update its list of Tier I and Tier II schools each year, i.e., to apply its definition of “persistently lowest-achieving schools” to the most recent available data and identify new lists of Tier I, Tier II, and Tier III schools each year, excluding from consideration any Tier I or Tier II school already being served with SIG funds. These requirements ensure that each SEA’s list of its persistently lowest-achieving Title I schools is based on the most recent data and that those schools have an opportunity to receive SIG funds to implement one of the approved school intervention models.*

**Tier I Schools:** The five (5) or 5% (whichever is greater) of the lowest-achieving Title I schools identified to be in school improvement, corrective action, or restructuring plus any Title I served secondary school with a graduation rate of less than 75 percent over the three latest years that was not identified in the five (5) or 5% (whichever is greater) of the lowest-achieving Title I schools. A school must make meet AYP goals for two consecutive years in the subject that caused the Needs Improvement identification to no longer be considered in Need of Improvement under NCLB.)

**The following Tier I Schools are eligible to apply for ESEA (Elementary and Secondary Education Act) SIG (School Improvement Grant) funds.**
