- Review of June 9, 2017 Full Council Meeting Minutes
- Review of June 9, 2017 Standing Committee Meetings Minutes

1. Rule Status Updates – NDE Staff

- Rule 21 – Implementation Date
- Rule 24 – Implementation 8.1.17; includes changes to School Counselor and Work-Based Learning

2. Rule 24 Endorsements – Pat Madsen, NDE

- Proposed Teaching and Learning Leadership (formerly Curriculum Supervisor) – Sharon Katt, NDE and Executive Committee Members

To recap:

- NCTE Full Council voted to eliminate the Curriculum Supervisor (and/or the LTL) as an endorsement on an administrative certificate.
- Three options appear to exist for the Executive Committee to consider:
 - 1) Drop further discussion/development of the proposed LTL endorsement.
 - 2) Propose the LTL as written as an endorsement that can be placed on a teaching certificate (but would be a non-teaching endorsement*)
 - 3) Propose some revision of the LTL as an endorsement that can be placed on a teaching certificate (as a non-teaching endorsement.) For example, the endorsement as proposed does not require a Master's degree. Some language about supervision and evaluation was infused—does that come out?

**meaning it does not clear any courses and would only be placed in presence of a teaching endorsement.*

- Other options?
- There has been some NCTE discussion about the practice of including non-teaching endorsements in Rule 24, and if this is a practice that should be discontinued.
