002 General Information

002.01 Statutory Authority. This chapter is adopted pursuant to Section 79-808 of the Nebraska Revised Statutes (R.R.S.).

002.02 Scope and Application. This chapter contains regulations for obtaining endorsements indicating grade levels and areas of specialization on Nebraska teaching, administrative, and special services certificates or permits.

002.03 Related Chapters. Throughout this chapter, reference is made to other Department regulations relating to teachers, administrators, and special services providers. Regulations for the issuance of certificates or permits to teach, administer, and provide special services in Nebraska schools are contained in Title 92, Nebraska Administrative Code, Chapter 21 (92 NAC 21). Title 92, Nebraska Administrative Code, Chapter 23 (92 NAC 23) contains regulations concerning the basic skills competency testing of teacher education candidates. Title 92, Nebraska Administrative Code, Chapter 20 (92 NAC 20) contains the rules for the approval of professional education programs in Nebraska. Copies of these rules are available from the Department.

002.04 Implementation Date. Regardless of the effective date of the approval of this chapter, the implementation date will be August 1, 2018. Colleges and persons seeking endorsements must meet these requirements after this date. Prior to that implementation date, the provisions of this chapter, as approved with an effective date of August 1, 2017 shall remain in effect.

003.05 Clinical experiences means those that are characterized by careful planning, stipulated goals, required activities, projected performance levels and evaluation of growth. Examples of clinical experiences are microteaching clinics, unit teaching associated with a methodology class, and skill clinics.
