001 General Provisions

001.01 Statutory Authority. This Chapter is adopted pursuant to Sections 79-318, 79-703, 79-1601 and 79-305 of the Revised Statutes of Nebraska (R.R.S.).

001.02 Approval of School Systems. Nonpublic Schools will be classified as approved if they meet all of the requirements of this Chapter. All private and parochial schools in Nebraska that provide elementary, middle, or secondary instruction to children of compulsory attendance age are required to be approved under the provisions of this Chapter, unless they are exempt under the provisions of Title 92, Nebraska Administrative Code (NAC), Chapter 12 or Chapter 13.

001.03 Related Regulations. Provisions regarding teacher certification and endorsement are contained in 92 NAC 21 and 92 NAC 24.

001.04 Implementation of this Chapter. This Chapter will initially be used during the 2012-13 school year to determine future approval status.

002 Definitions. As used in this Chapter:

002.02 Commissioner means the State Commissioner of Education.

002.03 Core Curriculum means a curriculum which includes language arts, social science, science, mathematics, career and technical education, world languages, visual and performing arts, and personal health and physical education.

002.07 Governing Body means a board elected or appointed to provide direction to a nonpublic school or to a nonpublic school system, or an individual or corporate owner

002.08 High School Grades means grades 9 through 12 in a school system organized with a four-year high school and grades 10 through 12 in a school system organized with a three-year high school. Schools organized as a three-year high school may include the ninth grade in determining compliance with this Chapter.

002.09 Instructional Unit means 15 clock hours (900 minutes) of classroom instruction in a course offered in the secondary school. As an example, a course which meets for 50 minutes a day for 180 days generates 10 instructional units. Instructional units should be computed to the nearest one-tenth.

002.10 Middle Grades means grades designated by the school system as middle and may include any grades from four through nine. The middle grades typically include at least grades seven and eight. Common middle grade configurations are grades six through eight or grades seven through nine.

002.11 School means an individual attendance center within a school system which provides either elementary, middle, secondary, or high school education.

002.12 School System means a school or group of schools under a governing body organized to provide education in elementary, middle, secondary, or high school grades as provided in this Chapter.

003 Procedures for Approval

003.01 Application for Initial Approval. A governing body seeking approval or seeking to add grades to a previously approved school shall make application on forms supplied by the Department. The completed application forms (See Appendix A) must be received by the Department no later than May 1 prior to the start of the school year.

003.02 Recommendation by the Commissioner. If it is determined through visitation and/or reporting that the applicant school can comply with the provisions of this Chapter, a recommendation by the Commissioner will be made to the Board that the applicant school be granted conditional approval.

003.03 Action by the Board and Subsequent Reports. Upon favorable action by the Board, the applicant school will be granted conditional approval for one school year.

003.04 Visitation. Applicant schools shall be visited during the school year by a representative of the Department or a designated superintendent to determine the school's compliance with the provisions of this Chapter.

003.05 Noncompliance. If it is determined by the Commissioner that a school has failed to comply with the provisions of this Chapter at any time during the year of conditional approval, it shall be just cause following notice to initiate proceedings before the Board to immediately terminate the conditional approval.

003.06 Duration of Approval. Continued approval is granted for one school year from each July 1 through the following June 30. Renewal is granted based upon the school's compliance with this Chapter during the prior school year. Contest limits shall be based upon the total number of contests played. Each game, match, or meet played in a tournament setting shall count as one of the contests permitted within these contest limits. Pupils in kindergarten through sixth grade do not participate in any kinds of athletic contests between schools within a school system or between school systems, except that nonpublic elementary school systems having seventh and eighth grade athletics may include sixth grade boys or girls when combined enrollment for seventh and eighth grade becomes fewer than 12 boys or 12 girls and if the local governing body has a policy regulating participation for sixth graders. 008.02 Reporting Violations. A school shall report any existing violations to the Department on its annual Statement of Assurance.

008.03 Correction of Violations. Schools will have until February 1 to correct violations or to prepare a written plan for correction of a violation that existed at the time of submission of the Statement of Assurance. Written evidence of the correction of the violations or a written plan developed in accordance with Section 0078.03A must be submitted to the Department.

008.03A Schools having an uncorrected violation may submit a written plan to the Department by February 1 for correcting the violation before the following school year. Such plans may be approved by the Board if evidence provided

TITLE 92
CHAPTER 14

indicates that the violation occurred after August 1, and the violation could not reasonably be corrected immediately before or during the current school year. Written evidence of the correction must be submitted to the Department by the following September 1.

008.04 Effect of Violations on Nonpublic Schools. If, after consultation with school officials, the Commissioner determines that approved nonpublic school systems have any uncorrected violations, he or she shall make the applicable following recommendations to the Board.

008.04A An APPROVED NONPUBLIC SCHOOL SYSTEM having an uncorrected violation that applies to approved school systems and no written plan under Section 008.03A shall be recommended for APPROVAL ON PROBATION for the following year.

008.04B An APPROVED NONPUBLIC SCHOOL SYSTEM having a plan under Section 008.03A and having the same uncorrected violation after September 1 of any requirement that applies to approved school systems shall be recommended for APPROVAL ON PROBATION for the current year.

008.05 Provisions for Notice and Hearing

008.05A When the Commissioner makes a recommendation to the Board for a school system to be placed on probation or for denial or revocation of approval, notice of the recommendation and of the right to request a hearing shall be given to the school system by certified mail sent at least 30 calendar days prior to the date of the Board meeting at which the recommendation is to be considered. Copies will be sent to the superintendent, head administrator, or head teacher of the school system, and to the presiding officer of the governing body, if known. This notice shall specify the basis for the recommendation.

008.05B If the school system notifies the Commissioner at least seven days prior to the date the recommendation is to be considered by the Board that it requests a hearing, the Board shall schedule a hearing date.

TITLE 92
CHAPTER 14

008.05C All hearings arising under this Chapter shall be conducted in accordance with the hearing procedures of 92 NAC 61, including provisions of that Chapter relating to evidence. Any action taken or recommended by the Commissioner adverse to the school system may be the subject of a petition by such school system under 92 NAC 61, in which case all the provisions of 92 NAC 61 shall apply to such appeal.

008.06 Action by the Board. Upon review of the Commissioner's recommendation, and following any hearing, the Board shall make a determination of the future approval status of the system and shall inform the system in writing of its determination.
