008.02 Conditional Permit Issuance Requirements. A conditional permit may be issued while the application for a certificate or permit is being processed by the Department if the Nebraska school system requests, and the Commissioner determines that the documents and information submitted by the applicant would allow for the issuance of a certificate or permit sought by the applicant pending receipt of any additional documentation.

008.03 Conditional Permits Issuance Requirements When a Criminal History Check is Required and All Other Certification Requirements Have Been Met. An applicant for a certificate or permit who is required to submit a complete, legible set of fingerprints is issued a conditional permit prior to receipt, by the Commissioner, of the criminal history record information check if:

008.03A The Criminal Charges Self-Reporting Form, found in Appendix B, identifies all crimes of which the applicant has been convicted; and

008.03B The Commissioner determines the applicant has good moral character and meets all other requirements for certification.

008.04 Voiding of Conditional Permits. The applicant's conditional permit is void upon the issuance of a certificate or permit to the applicant or upon a final determination that the applicant does not meet the requirements for issuance of a certificate or permit. For purposes of this chapter, a determination is final upon expiration of the time for which the applicant may appeal a denial as provided in Section 009 of this chapter or upon issuance of a final order by the Board regarding an appeal by an applicant.

009 Appeals Procedure

009.01 Notice. The Department notifies in writing an applicant for a certificate, permit or endorsement if the Department intends to deny an application and provide the reason(s) for the denial.
009.02 Request for Review. The applicant may request in writing a review by the Commissioner within twenty calendar (20) days after receipt of the written notice provided for in Section 009.01 of this chapter. Failure of an applicant to request a review by the Commissioner within twenty (20) calendar days after receipt of the notice shall be a waiver of any further appeal by the applicant and results in a denial of the certificate, permit or endorsement. The Commissioner must:

009.02A Notify the applicant that the Department will issue the certificate, permit or endorsement being sought;

009.02B Notify the applicant that the application for a certificate, permit or endorsement is denied; or

009.02C Notify the applicant that the application for a certificate, permit or endorsement is denied for the reason(s) set forth in the notice and that, as a result of the applicant’s failure to request a review pursuant to Section 009.02 of this chapter, the applicant has waived any further appeal to the Board regarding the current application.

009.03 Hearings. Within twenty (20) calendar days of receipt of the notice of the Commissioner’s denial of the certificate, permit or endorsement pursuant to subsection 009.02B of this chapter, the applicant may appeal the Commissioner’s decision pursuant to 92 NAC 61. If the Board finds that the requirements in this or related chapters have been improperly applied to the applicant or in the case of an applicant who the Commissioner has rejected due to criminal convictions, that the applicant has good moral character and possesses the moral fitness for teaching, then the Board may direct the Commissioner to issue a certificate or permit to the applicant.

009.04 Guidelines for Review. In considering whether to deny, not issue, or not renew a certificate or permit of an applicant based upon criminal convictions, the Commissioner and Board shall take into account the following factors in determining moral character and moral fitness to teach:

009.04A The nature of the crime, the facts and circumstances surrounding the applicant’s conviction including whether the conduct of the applicant would constitute a crime in Nebraska, the sentence received, and whether the sentence was commuted, set aside, or pardoned;

009.04B The applicant’s age at the time of the conduct;

009.04C The recency of the conduct;

009.04D The applicant’s positive social contributions since the conduct; and

009.04E The reliability of the information concerning the conduct.
