

## Supporting English Learners: Resources for English Learner Programs

### [English Learner Modules](#)

NDE, along with teachers and program coordinators, have created [short video modules](#) related to Rule 15 and serving English Learners in Nebraska. Each module begins with a segment specific to Rule 15 requirements as well as segments to guide programming and support. Resources and professional learning facilitator guides are included. Just create a free account in the NDE Digital Learning Center to access the modules.

### [ELA ELP Alignment Resource](#)

This resources is for K-12 teachers who are supporting English learners with new and challenging English Language Arts standards. Includes EL student levels related to ELPA21, supports for ELs, and lesson ideas.

### [ELA ELP SIT Tool Lessons](#)

Part of the ELA\_ELP alignment resource, these are ELA lessons by grade band that include suggestions to support ELs during the lesson.

### [Updated Nebraska ELL Program Guides](#)

NDE has updated our program guides for EL programming. This documents are great for districts beginning to develop programs for English Learners:

## ELPA21 Screener Resources

The ELPA1 screener is now available to districts! The NE [AIR portal](#) has all the resources and information you need to administer and report the ELPA21 screener. Get started [here](#) with this one page quick guide from NDE. The AIR portal has other great resources to help you administer the screener including short [training modules](#).
