

Come learn how to get kids outside and engaged in STEM learning... and having fun! **Project WILD & Aquatic WILD Educator Workshop**

Project WILD & Aquatic WILD are:

- Interdisciplinary lessons which can be used for any subject – math, reading, P.E., social studies, science & after-school programs!
- Easy to use & designed for both classroom and informal educators.
- Fun and engaging for K-12 students.

Project WILD is perfect for starting or expanding an after-school clubs as well as summer learning. The guide is designed for thematic units and active learning! This session will focus on using Project WILD specifically in after-school settings!

Workshop Participants will receive:

- Project WILD & Aquatic WILD Activity Guides,
- Knowledge and skills to teach about nature & STEM in an AFTERSCHOOL setting.
- Prizes!
