A. STAFF RESEARCH AND ASSISTANCE

All requests by Board members for research or other assistance by staff should be routed through the Commissioner's Office.

In cases where the individual Board member requires assistance from staff for research, creation of information or documents, or other preparation to assist the Board member in his or her official duties, those requests should be handled as follows:

- Requests requiring less than four hours of staff time, and minimal other costs, should be completed by the staff as directed by the Commissioner, including the preparation of a brief report of the staff time and costs involved.
- For requests requiring more than four hours of staff time and/or more than minimal other costs, such requests shall be submitted by the Board member in writing and routed through the Commissioner's office or through the Board President. The requesting Board member will be provided with a written response identifying the specific request and the activities required to complete it, the estimated staff time required, the estimated total cost of staff time and related expenses, and the estimated timeline for completion. The requesting Board member may authorize the initiation of the activity for up to four hours of time and minimal related cost. The total project will require approval of the Board for completion of the balance of the project.

In consultation with the Board President, the Commissioner shall determine the appropriateness of providing the same request for the benefit of other Board members. Board members may request copies of the projects/activities completed for other Board members.

B. LEGAL ASSISTANCE

The State Board may request legal opinions from the Attorney General and/or the Legal Services Office by forwarding their request to the Commissioner. The Commissioner is responsible for preparing the question and necessary background information and forwarding the question to the Attorney General and/or Legal Services Office. The Commissioner shall provide all State Board Members with copies of the request. Any written opinion provided by the Attorney General or Legal Services Office as a result of a question by the State Board shall be provided by the Commissioner to all of the members of the State Board.

The Legal Services Office represents the Department and not individual State Board members or NDE staff members. The General Counsel or one of his or her assistant attorneys shall serve as legal advisor to the State Board and Commissioner at State Board meetings. When the Legal Services Office will be representing the Commissioner of Education in a contested case in which the State Board is the decision maker, the Commissioner will notify the State Board President and Attorney General, so that the State Board may secure alternate legal representation from the Attorney General's Office or another source approved by the Attorney General.

The primary role of the Legal Services Office shall be to provide day-to-day legal assistance to the Department, including the State Board, Commissioner and NDE staff. The Commissioner and General Counsel are responsible for making certain that the State Board is fully informed of all pending legal matters and legal issues affecting the Department.
