Verizon STEM Grant – CCC provided a three week STEM camp for 6-8 grade rural girls. NACCE provided this grant with Verizon financial support. There will be monthly meetings for the year. The grant is a two year commitment. We get to have fun again next year.

ESI Camps in Central City and Albion. Seward cancelled their camp, personnel turnover. Boone and Nance are looking at a camp rotation schedule of every other year at Albion and Fullerton.

SCORE has a USDA grant to offer three workshops. The focus will be for Women and Hispanics in Ag and Hort. The workshops will be during the month of September.

Columbus is working with Econic to develop High growth businesses (described as revenue generated more than 50 miles away). Hastings has started and I believe Grand Island is also going to participate in the program. It is a matching program with state dollars.

Working with Cooperative Farmers Market – New experience.
