

# reVISION

Establishing a clear vision for Nebraska Career Education

## What is reVISION?

reVISION is a strategic approach for Nebraska schools to analyze their current Career Education system and make adjustments to more effectively prepare students for college **and** careers.

## Why reVISION?

reVISION provides a unique opportunity to bring understanding, new energy, and commitment to Career and Technical Education as a vital education, workforce, and economic development strategy.

### FIRST MEETING

Review and assess current career education programs; collaborate with NCE staff, CTE staff, school counselors, administrators, and Departments of Labor & Economic Development staff to review and analyze data and identify areas for improvement

### COMMUNITY ENGAGEMENT MEETING

Share key information & gather feedback from community stakeholders

### SECOND MEETING

Review key information & feedback to initiate Action Plan development

### TECHNICAL ASSISTANCE

Individualized support by NCE staff to develop and finalize 3-5 year reVISION Action Plan
