

Communication Arts

This career cluster offers two different avenues of concentration. Careers in the Performing Arts, or certain aspects of Journalism, Broadcasting and Film require creative talents. Careers in Audio-Video Communications Technology, Telecommunications or Printing Technology require strong backgrounds in computer and electronic-based technology and a solid foundation in math and science. Communicating effectively in both oral and written form is essential for all careers in the cluster. In addition, the creative aspects of this cluster are rapidly merging with the technological, offering exciting and challenging careers
