

CLC Family Engagement Program

We know that parents' involvement in their children's learning is critical for success. Below is a list of ways you can get involved at school and support your child's learning: Additionally, CLC Core Program parents will have the opportunity to earn points toward **monthly prize drawings** by participating in different engagement activities throughout the year. A parent's cumulative points earned throughout the year will represent the number of entries they'll have in the monthly drawing. Two names will be drawn each month to select from a wide variety of prizes, ranging from household goods, family games, sporting equipment, and an assortment of gift certificates to restaurants and retail stores.

- **Monthly Take-Home Activities = 10 points**

Students in our Core Program will be making an academic game or activity every month on the early-release PLC day to take home to play with their family. To earn the points, parents must provide evidence of doing the academic game at home either by completing the brief summary sheet or texting/emailing a picture and feedback to a CLC Supervisor.

- **Parent-Teacher Conferences = 10 points**

- **CLC Quarterly Celebrations = 5 points**

CLC will host a quarterly celebration for Core Program and Club families to showcase what students have been doing in after-school programs each quarter. The quarterly celebrations will be held on **October 13, December 15, March 9, and May 18 from 5:00-6:00pm.**

- **School Family Nights = 5 points**

- **Parent Cafés = 15 points**

Parents from neighboring schools are hosting monthly gatherings for parents from Hartley, Clinton, Riley, and Culler. The "cafés" provide an informal opportunity for parents to connect with one another and discuss topics important to them as it relates to their communities and supporting their children. Food and childcare are provided. Contact a CLC supervisor for more information if you are interested!
