

CLC Core Program Families:

Beginning second quarter, students in the After-School Core Program will begin the hands-on process of **Project-Based Learning (PBL)**. Students will select a topic of their choice related to each quarterly theme, explore this topic in depth, and then create a project and presentation based on what they've learned. At the end of each quarter we will have a CLC celebration for families where students will be able to share their PBL projects.

To kick-off our quarterly celebrations, we first invite you to attend the city-wide

“Lights on Afterschool”

This exciting event serves as an annual celebration for all CLCs, and will be held **at Park Middle School (855 S. 8th St) on October 22 from 6:00-8:00pm.** Our CEDARS CLC sites at Clinton and Hartley will be sharing some of our students' PBL projects from last year to showcase the excellent work our kids do after school! We encourage you to come participate in the fun-filled evening and support our CLCs by joining in our CLC shout-outs for each school. More details about the event and our Clinton and Hartley CLC shout-outs will be coming soon!

After beginning the year with the Lights on Afterschool celebration, we hope you will continue to join us for our own CLC celebrations each of the remaining quarters:

2nd Quarter CLC Celebration: Thursday, Dec. 17 from 5:00-6:00pm

Students will share their PBL projects around our 2nd quarter theme of **Community & Careers**

3rd Quarter CLC Celebration: Thursday, March 3 from 5:00-6:00pm

Come check out the students' PBL projects around our 3rd quarter theme of **Celebrate Culture**

4th Quarter CLC Celebration: Thursday, May 12 from 5:00-6:00pm

See the students' PBL projects related to our 4th quarter theme of **Health & Wellness**

We look forward to celebrating a year of CLC fun and learning with you!
