Zoom Meetings for TIP Feedback

On **December 14th**, The Office of Special Education will be hosting three opportunities to participate in providing feedback regarding the Targeted Improvement Plan Process with the hopes that future reporting will incorporate a reporting aspect around the targeted supports as part of the continuous Improvement efforts of the district. Please join us and give us your feedback based on the time listed for your NASES region. If these times do not work for you, feel free to join other times as needed.
