## **Happy New Year PEaK Project Managers!**

The PEaK Project does not require a Quarterly Report however; it does require a fiscal request for funds with appropriate supporting documentation. The Special Education Office requests that any requests for reimbursement for the first semester (August 2018 through December 2018) be made by January 31, 2019. Requests for reimbursement should be sent to Pete Biaggio at [pete.biaggio@nebraska.gov](mailto:pete.biaggio@nebraska.gov). If an amendment is needed, please ensure the *attached* form is submitted and approved prior to any reimbursement requests.

## **Transition Conference 2019**

[Registration](#) is open for the 2019 Transition Conference scheduled for February 26-27, 2019 in Kearney. There is an outstanding line-up of over 40 sessions including nationally recognized keynotes and practitioners from across the state sharing practices. Participants are encouraged to bring their laptops as several sessions provide hands-on learning activities. Additional information is *attached*. Contact [Alice.senseney@nebraska.gov](mailto:Alice.senseney@nebraska.gov) or 402-471-2775 if you have questions.

## **Article from Edutopia - *The importance of self-care for administrators***

As you begin the New Year, we thought the linked article above might be appropriate. It always helps to focus on 'self' first, and then focus on the tasks at hand.
