NCSA – Continuity of Learning

Please see *attached* flyer for information on upcoming Zoom informational meeting.

ASD Network April Conference

The **ASD NETWORK Conference** has **not** been canceled, but will be **held virtually**. No sessions will take place in the Embassy Suites Convention Center. We have an outstanding line up of speakers, and are excited to be able to provide this online conference opportunity!

- o All registered attendees will have access to view sessions live via a zoom meeting and have access to all materials (handouts, ppt's, etc.) which will be available through the Conference Mobile App – Guidebook.
- o An email with log in information for the conference and the guidebook app will be sent out to registered participants the week before the conference.
- o **The virtual conference will take place on April 2nd and 3rd, and will follow a similar daily schedule as was planned for the in-person conference.**

We want you to continue to encourage staff and families to participate in this conference especially if they are already registered. Many states have moved to this format of virtual conferences so it is a good time for all of us to learn and still get outstanding professional development.

If you have any questions, contact Annette Wragge, awragge2@unl.edu, or Teresa Coonts, teresa.coonts@nebraska.gov

Grant/Cooperative Agreement Invoicing

On Tuesday, March 17th, the head of our Central Accounting sent out an email that due to changes in staffing and staff working remotely, we will no longer be able to process paper invoices. All invoices will need to be sent electronically and preferably in pdf form. They should be sent to: NDE.CentralAccounting@nebraska.gov Please pass this information on to the appropriate people.

With all that is going on, please stop and take a breath. We are “better together” and will get through this. Thanks for all your work.
