### Nebraska Fresh Fruit and Vegetable Program Grant Application School Year 2020-2021

The USDA's Fresh Fruit and Vegetable Program (FFVP) provides funding to elementary schools to serve fresh fruits and vegetables to children throughout the school day, at no cost to the students. The program is designed to help create healthier school environments and combat childhood obesity. The FFVP expands the variety of fruits and vegetables children experience, increases their fruit and vegetable consumption, and can positively impact their present and future health. Funds provided to each school cover the costs associated with administering the program, including the cost of food, labor, supplies, and equipment.

Funding for the FFVP will be available for the 2020-2021 school year through the Food, Conservation and Energy Act of 2008 (Public Law 110-234). Nebraska will be awarded a specified amount for the grant period of July 1, 2020 through June 30, 2021. The grant will be awarded to schools in two parts: July 1 - September 30, 2020 and October 1, 2020 - June 30, 2021. To be eligible to participate, an elementary school, as defined in NDE Rules 10 & 14, must have 50% or more of their students eligible for free or reduced-price meals.

Priority will be given to schools with the highest free and reduced enrollment. See the [SY 2021 FFVP Eligible Site List](#) for the list of buildings eligible to apply.

Awarded schools must offer fresh fruits and vegetables to students a minimum of two days a week during the school day, separate from breakfast and lunch service. Schools must establish an implementation plan that includes service methods and frequency, integration of nutrition education, FFVP marketing and promotion and overall program administration and monitoring. Funding to each school will be based on the school's enrollment for the participating grades. Per-student allocation will be \$50-\$54 for the 2020-2021 school year, with the schools that participate more than two times a week receiving more funds per student.

To learn more about the program, or to review the USDA's FFVP: Handbook for Schools, visit [NDE's Office of Nutrition Service's FFVP webpage](#).

Application Deadline: **all applications must be complete and submitted by 11:59pm on Friday, May 29, 2020.**

All school districts that apply will be notified of the results once NDE has received USDA announcement of total State funding allocations.

---

### Fresh Fruit and Vegetable Program Grant Eligibility Criteria

The USDA has identified the following criteria for schools to participate in the FFVP:

- Be an elementary school (students up to grade eight may participate)
- Represent the highest percentage of students certified for free and reduced price benefits, with at least 50% or more of the students eligible
- Participate in the National School Lunch Program
- Each eligible site within a district that wishes to participate in the FFVP must complete an annual application. See the [SY 2021 FFVP Eligible Site List](#) for the list of Nebraska school sites eligible to apply.

The NDE reserves the right to remove a school's application from consideration when:

- The school fails to meet the deadline for application completion.
  - The school does not have support of its administration. Each school will be required, as part of the application process, to attest to support by the food service manager, school principal and district superintendent (or equivalent position) for participation in the FFVP.
  - NDE has concerns with the school's administration of another child nutrition program.
  - NDE believes the school cannot properly operate the FFVP, despite previous support from NDE. *Schools must ensure they appropriately plan their FFVP budget and are adequately spending down funds each month. A school that consistently claims less than the adequate budgeted amount monthly, and two years in a row returns greater than 50% of the site's allocated FFVP funds, will be ineligible to participate in the FFVP in the subsequent year.*

### Fresh Fruit and Vegetable Program Grant Requirements

**In addition to the Eligibility Criteria listed above, awarded schools must:**

- Make free fresh fruits and vegetables available to all enrolled children
- Begin service at the start of the school year
- Serve fresh fruits and vegetables a minimum of twice a week; frequency of service will be indicated on this application, reported on monthly, and should be accurate
- Provide fresh fruits and vegetables only during the school day but not during breakfast or lunch service, and not before or after school or during summer school
- Widely publicize with students the availability of free fresh fruits and vegetables
- Have documented support of the food service manager, principal and district superintendent
- Provide written justification for the purchase of equipment over \$100, such as a refrigerator, cooler, portable kiosk, cart or portable food bar, with administrative funds
  - This justification must be submitted online under the “SFA Comment” section of the claim. It must explain the need for the additional equipment, the frequency of use and any other information that will support the purchase. If the equipment will be used in other feeding programs, its cost must be prorated among the programs.
  - Follow procurement guidelines when purchasing equipment with administrative funds
  - Discuss the purchase of any equipment with the district’s food service director
- Purchase fresh fruits and vegetables according to procurement guidelines, including the Buy American provision
- Certify the invitation that will be available through the district’s online annual school lunch application, once awarded sites are announced
- Participate in annual online training for the FFVP, which will be made available in the summer and throughout the school year

## Block 3

---

## Claim for Reimbursement:

- Schools will submit a monthly claim for reimbursement by accessing the Nutrition Services' Claims and Application website at <https://nutrition.education.ne.gov>. Claims must be submitted within 60 days of the last day of the claim month.
  - The person identified in the application as being responsible for submitting the monthly online FFVP claim must have a User ID and Password assigned to them to access the system. The person who currently submits the monthly school lunch claim may be assigned the FFVP claim responsibility or the Authorized Representative may assign another person.
- Schools receive reimbursement for costs of purchasing, preparing, and serving fresh fruits and vegetables to children in your school. The FFVP claim reflects expenses incurred on a monthly basis and are divided into two categories:
  - **Operational Costs** include the cost of the fresh fruits/vegetables, low fat/fat free vegetable dip only, small supplies and labor hours associated with preparing and serving the fresh fruits and vegetables.
  - **Administrative Costs** include personnel costs not related to the preparation and service of fresh fruits and vegetables and the purchase or lease of equipment. No more than 10 percent of the school's total grant can be used for administrative costs.

### Fresh Fruit and Vegetable Program Grant Application

Applications must be fully completed and submitted by the May 29, 2020 deadline. Incomplete or inadequate responses will not be accepted. Use clear, concise sentences.

Upon submission, an automatically generated confirmation email will be sent to the person submitting the application. There will also be an opportunity to request that another contact also receive the email confirmation. Please forward this confirmation email to additional staff at the site or district that will be tracking completed site applications.

NOTE:

- If multiple school buildings in a single district are applying, even though some information may be common to all, answers should reflect the unique aspects of implementing the program in each building.
- Each eligible school site interested in applying for the Fresh Fruit and Vegetable Program (FFVP) must apply separately. The application may be completed by the school building or by the district's central office on behalf of the school.
- The application requires certification that the school food service manager, school principal and district superintendent (or equivalent position) support participation in the FFVP. The person responsible for submitting the application must have documentation attesting to support of the program from the food service manager, principal and superintendent.

A [downloadable reference copy of the grant application](#) is available online for schools to refer to in order to gather information needed to complete the online grant application. Only online applications submitted through the provided survey link will be accepted; no hard copy or electronic grant applications will be accepted. Only one application per site is allowed.

## Block 8

Fresh Fruit and Vegetable Service Plan

a. How, where and when does your school plan to serve the fresh fruits and vegetables? Describe how they will be served: on carts or tables in the hallways, in the classroom or cafeteria or from vending machines, etc.

See hints and tips in the [FFVP: A Handbook for Schools](#), page 12.

b. Participating schools are required to serve fresh fruits and vegetables a minimum of two days a week. Select the number of days you will offer the FFVP at your school. Schools will receive a minimum of \$50 a student per year; schools that serve the program more than two times a week will receive between \$51-\$54 per student for the year.

- 3
- 4
- 5

---

### Nutrition Education Plan

Describe how the FFVP will be incorporated into your school's educational efforts to promote good health, nutrition, and physical activity.

*Nutrition education is a component of several important programs and initiatives including your school's required Wellness Policy nutrition education and promotion goals; becoming a Team Nutrition School; and participating in farm to school activities. See hints and tips in the [FFVP: A Handbook for Schools](#), page 21.*

REFERENCE ONLY

---

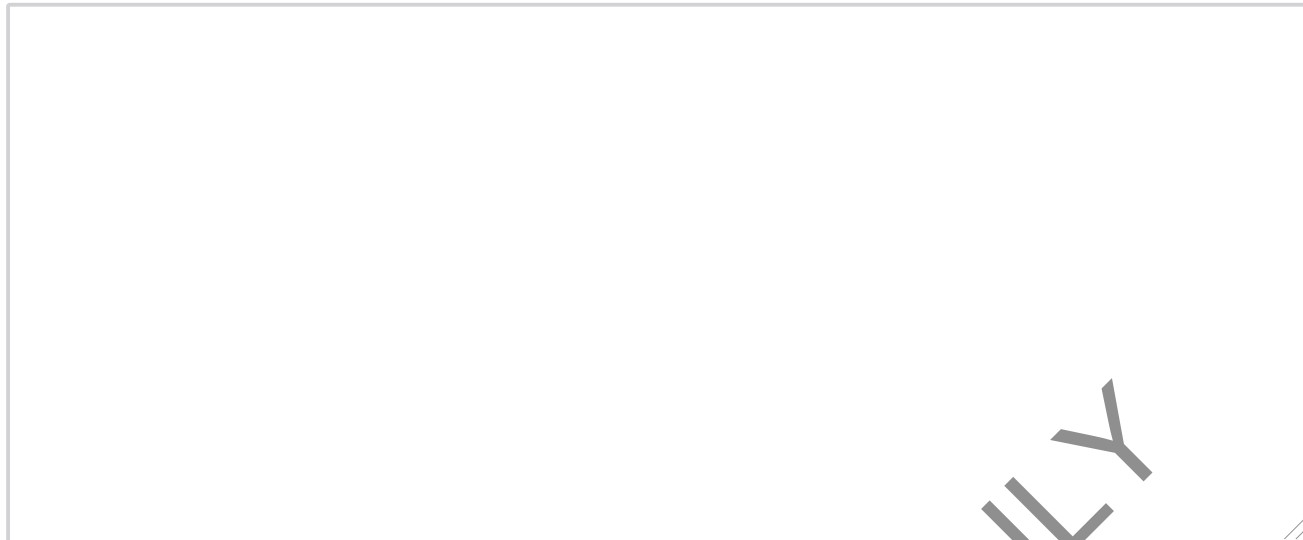

### 3. Partnership Plan

Discuss existing or potential partners that may assist your school with the FFVP. For example: Nebraska Extension, grocery stores, food distributors, local health departments, local colleges, non-profits, hospitals, etc.

See hints and tips in the [FFVP: A Handbook for Schools](#), pages 29-30.

---

---

### Marketing Plan

Describe how your school will publicize the FFVP to students, parents and the community.

*Consider bulletin boards promoting fruits and vegetables, [Nebraska Harvest of the Month](#) newsletters home to families that align with the FFVP product sampled, PA announcements led by students about the product, a press release once the school receives notification of the award, etc.*

---

### Block 9

---

I have reviewed this application and attest to the truth and accuracy of the information provided. If selected, we, the Sponsor agree to implement the program in a manner consistent with the policies and procedures established by USDA and NDE. We agree to participate in any USDA-sponsored or NDE-sponsored evaluations and to provide the information requested by the specified deadlines.

I have also confirmed support of this program with the following officials: School Food Service Director, School Principal, and Authorized Representative/district Superintendent, or those individuals in equivalent positions.

By selecting this box, I certify this application based on the above review and confirmation information.

Please select your title at the school district or institution:

- Authorized Representative
- District School Food Service Director
- Site Food Service Manager
- School Principal
- Other (please specify):

As the submitter of this SY 2021 FFVP Grant Application, please provide the following information. Note that the email address provided will receive a copy of the application submission.

First name   
Last name   
Email

Optional: If there is another individual whom you would like to receive a copy of the application submission, please provide the following information.

First name   
Last name   
Email

## Block 10

---

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

(1) Mail: U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW  
Washington, D.C. 20250-9410;

(2) Fax: (202) 690-7442; or

(3) Email: [program.intake@usda.gov](mailto:program.intake@usda.gov).

This institution is an equal opportunity provider.
