 Assessment of the SFA's Meal Counting and Claiming System

Attachment I: 2020-21

SFA: \_\_\_\_\_ Site: \_\_\_\_\_ Reviewer: \_\_\_\_\_

According to USDA regulations, 7 CFR 210.8(a)(1) and 7CFR 220.11(d)(1), a School Food Authority (SFA) with two or more feeding sites is required to perform an on-site review of the meal counting and claiming system and the readily observable general areas of review under 7CFR 210.18(h) by completing the following checklist for each site that offers lunch and 50% of all sites that offer breakfast by **February 1** each year.

The on-site review must ensure the school's claim is based on the counting system, as implemented, and yields the actual number of reimbursable free, reduced and paid meals served for each day of operation. If the review discloses problems with a school's meal counting or claiming procedure, the SFA must ensure that the school implements corrective action. Within 45 days of the review, a follow-up on-site review must be conducted to determine that the corrective action resolved the problems. Completed checklists are to be kept on file at the school district or Residential Child Care Institution (RCCI).
