SELECTING PERCEPTUAL DATA FOR THE SCHOOL PROFILE

You may use this chart to identify perceptual data to be collected, how the data will inform you, and who is responsible for collecting it as part of developing and maintaining the School Profile.

<table>
<thead>
<tr>
<th>Category</th>
<th>What do we want the data to tell us?</th>
<th>Who is responsible for getting the data?</th>
<th>What, if any, additional data should we collect in this area?</th>
</tr>
