RESEARCHING SCHOOL IMPROVEMENT STRATEGIES WORKSHEET

You may use this worksheet to investigate and document effective strategies/interventions, practices, and possibly related activities that may support your school improvement goal.

Goal Statement:

School Experiences/Site Visitation: *What have other schools with similar demographics done to address this goal? Is a site- visit possible or appropriate?*

Research Summary: *In this goal area, what does the research say are successful and effective practices?*

Strategies/Interventions: *Based upon this study process, what are three to five strategies/interventions the study team would recommend to improve in this goal area?*
