STANDARDS

QUARTERLY MINIMUMS 38 CFR 21.4254(c)(7)

(These are the minimum standards that are acceptable.

Schools may, at their discretion, write standards that are stricter than this.)

VA students must complete the following number of hours of ground school, pre & post and/or dual flight training each quarter to satisfy minimum requirements to continue to be certified for VA benefits:

Commercial/Instrument: 18 hours

Additional Type Ratings: 15 hours

The 90-day quarter begins effective the date of the student's first ground school or flight instruction.

A student failing to meet the quarterly minimum will be terminated for VA benefits effective the last day of that quarter. Exceptions can be made for bad weather or illness, and will be documented in the student's file.

A student may be reentered and certified for VA benefits after 30 days if school officials determine that the student can meet the minimum requirements and the 85/15% ratio will allow reentrance.

Non-compliance with this policy can result in withdrawal of approval.

STANDARDS OF PROGRESS 38 CFR 21.4254(c)(7)

(These are the minimum standards that are acceptable.

Schools may, at their discretion, write standards that are stricter than this.)

Flight Training: A VA student who fails a Stage Check will be terminated for unsatisfactory progress for VA benefits. No benefits will be paid, nor will the student be certified for any training necessary to complete that Stage Check. The student can be reentered for VA benefits when the Stage Check has been passed, and the facility determines there is a reasonable likelihood that the student will make satisfactory progress.

Ground School Training: A VA student who fails to maintain a minimum grade of ___ for two consecutive ___ Stage Tests or ___ Terms will be terminated for unsatisfactory progress for VA benefits. No benefits can be paid, nor will the student be certified for any training necessary to complete the failed ground school. The student can be reentered into the program for VA benefits after the failed ground school has been completed successfully, and the facility determines that there is a reasonable likelihood that the student will make satisfactory progress.

VETERANS REFUND POLICY – 38 CFR 21.4255

(The school's refund policy for veterans must mirror the policy below.

Policies that are more favorable to veterans may be approved)

The refund of the unused portion of tuition, fees, and other charges for veterans or eligible persons who fail to enter a course or withdraw or discontinue prior to completion will be made for all amounts paid which exceed the approximate pro-rata portion of the total charges that the length of the completed portion of the course bears to the total length of the course. The proration will be determined on the ratio of the number of days or hours of instruction completed by the student to the total number of instructional days or hours in the course. The school may retain a registration fee of no more than \$10, a breakage fee for no more than the exact amount of breakage, and fee for consumable supplies for no more than the amount of supplies actually consumed.

CREDIT FOR PRIOR TRAINING POLICY 38 CFR 21.4254(c)(4)

A written record of any previous flight training will be maintained in the student's file. Any previous training will be evaluated by the school and credit granted where appropriate with the program being shortened proportionately.
