Application Information

Federal law prohibits discrimination on the basis of race, color, or national origin (Title VI of the Civil Rights Act of 1964); sex (Title IX of the Educational Amendments of 1972); or handicap (Section 504 of the Rehabilitation Act of 1973) in educational programs of activities receiving federal assistance. Employees, students, and the general public are hereby notified that the Nebraska Department of Education does not discriminate in any educational programs or activities or in employment policies.

Selection and Interview Process

- The **Nebraska Application Review Panel** examines all Part A and Part B Applications submitted and selects **up to five** finalists (**Award of Excellence Teachers**).
- Award of Excellence recipients will be in the running for selection of 2022 Nebraska Teacher of the Year.
- Award of Excellence recipients will be interviewed to determine the 2022 **Nebraska Teacher of the Year** and will be eligible for consideration as the National Teacher of the Year.
- Only completed applications will be considered. The Nebraska Teacher of the Year will serve as a representative at National Teacher of the Year events in 2022.

Background Information

The National Teacher of the Year Program originated in 1952 and continues to recognize teachers on the local, state, and national levels. The Nebraska Teacher of the Year Program has been in place since 1972 and affords opportunity to honor dedicated teachers for excellence in the classroom. The Nebraska Teacher of the Year program recognizes outstanding Nebraska certified teachers who plan to continue in an active teacher status in any state-approved or accredited school pre-kindergarten through grade 12. Supervisory and administrative responsibilities are secondary considerations. The National Teacher of the Year Program is a project of the Council of Chief State School Officers.

In order to encourage innovative educational programs to benefit students and local school districts, the Nebraska State Board of Education awards a \$1,000 grant to each of the finalists so each honored teacher can pursue an educational project of special interest. Since 1988, teachers and their students have acquired (or produced) special curriculum materials, purchased classroom technological equipment, acquired new skills through attendance at seminars, studied arts and humanities, sponsored student field trips, and purchased unique items not otherwise budgeted for (such as art work for display and a school sign for placement outside a new building).

The Nebraska Teacher of the Year Program has received financial support from BlueCross BlueShield of Nebraska, the Nebraska Council of School Administrators, the Nebraska State Education Association, the Nebraska Association of School Boards, and Northwest Evaluation Association (NWEA). These sponsors and other friends of the Nebraska Teacher of the Year Program provided stipends to the Awards of Excellence recipients and to the Nebraska Teacher of the Year. The Nebraska Teacher of the Year Program has also received support from KOLN/KGIN (Channel 10/11), a Community Partner; the University of Nebraska, SMART Technologies, Dillard's Gateway Mall Lincoln, and the Nebraska Corn Board.
