NOTE - These instructions are for paper submission only. If you choose to submit online, refer to "Instructions for a Rule 13 Exemption Via Online Submission" rather than this document.

This document is current as of May 28, 2021

Before You Begin

- Review [Rule 13. Frequently Asked Questions \(FAQs\)](#), and this Instructions document.
- Designate the school's Parent Representative [see Section 003.02 & Form B, Rule 13]. This is the only individual who files the documents on behalf of the school, and is the point of contact with NDE.
 - New filers - Collect the birth certificate for each student, and if applicable, proof of sole custody or legal guardianship.
 - Legal documentation provided (court order) must include all pages of the order that pertain to the custody of the student, including the cover page, judge's signature page, and any related attachments.
 - Renewal filers - If the student was previously enrolled as an exempt school student, these documents should be on file with NDE.

Deadline

- Submit the forms **by no later than July 15, 2021**. It is recommended you submit as soon as possible rather than waiting until the deadline.
 - Parents or legal guardians and child(ren) that were not residents of a Nebraska school district as of July 15 shall cause the parent representative to **promptly** file after the parents or legal guardians and child(ren) have established a residence in Nebraska (Rule 13, Section 003.02A1).
 - Parents or legal guardians of any child about to be or presently enrolled in an approved or accredited Nebraska school, who, after July 15, elect to have the child enroll and attend an exempt school shall cause the parent representative to **promptly** file with NDE (Rule 13, Section 003.02A2).
- Submit **by mail only** (do not fax or email the documents); or drop off the documents at the Lincoln NDE office; see Page 4.

What Do I Submit to NDE?

- Each Parent or Legal Guardian - Form A - Statement of Election and Assurances (2 pages each) completed and signed by each parent/legal guardian (single parent/guardian filer - see page 2 of the instructions)
- 1 – Form B – Authorized Parent Representative form (different from the Form A)
 - completed and signed by Parent Representative (see page 3 of the instructions)
- 1 – Information Summary – (2 pages)
 - all sections completed (see page 3 & 4 of the instructions)
- Birth Certificate(s) (if not previously provided to NDE) (see page 4 of the instructions)
- Legal document(s) related to the filing (i.e. custody or guardianship orders), if applicable
 - Legal documentation provided (court order) must include all pages of the order that pertain to the custody of the student, including the cover page, judge's signature page, and any related attachments.

Form A - Statement of Election and Assurances (by Parent or Legal Guardian)

To elect not to meet state approval or accreditation standards and to obtain exemption from provisions of compulsory attendance requirements relating to attendance at a state approved or accredited school, each of the parents or legal guardians of the children who will attend the exempt school and who are of mandatory attendance age must complete and sign a separate Form A: Parent or Legal Guardian Statement of Election and Assurances (Section 003.01, Rule 13).

If the filer is a single parent, that parent must complete Form A and provide sole custody verification. A parent claiming to be a single parent is representing that he or she alone is responsible for making the decisions concerning the educational placement of the child(ren). Sole custody verification includes (but is not limited to): an order of a court of law having proper jurisdiction providing that the filing parent has sole custody of the child(ren), a birth certificate that lists only the filing parent as the parent, or a death certificate if one of the parents is deceased.

If the birth mother was never married to the birth father, and there is no standing court order addressing legal custody, the mother can provide a signed/dated statement to that effect.

If the filer is the legal guardian(s), a copy of the documentation lawfully appointing the filer(s) as guardian(s) must be submitted with the completed Form A(s).

If a parent is on military assignment and cannot be contacted and supplied with the Form A, and the other parent has power of attorney for such matters, then that parent would complete and sign both Form A's (one for herself/himself and one on behalf of their spouse) and attach a copy of the power of attorney document.

If you are renewing from the 2020/21 school year, custody verification should already be on file with this office and you will not need to submit the custody verification again.

Form A: Parent or Legal Guardian Information

- Complete the name & address information for the parent or legal guardian.
- Provide only one valid Email address. NDE will correspond with the *parent representative* via Email if the filing is incomplete.
- If you do not know your resident school district, contact the County Assessor's Office.

Initial (First) Year or Renewal (Select One)

- Select Box 1 if this is your initial (first) year; Box 2 if renewing from the 2020/21 school year, or Box 3 if you filed in the past, but not during the 2020/21 school year.
- If it has been more than five school years since you last filed, NDE no longer has the birth certificate and proof of custody/legal guardianship.
- Box 4 applies only if you have filed, received the acknowledgement letter, and subsequently add another student to the 2021/22 roster.

Student(s) attending the exempt school

- Provide the student's first name & last name, age & date of birth.
- List only the students who are of mandatory school attendance age. (See Section B of the FAQs document.)

- If the student was born prior to September 1, 2003, he/she is **over** the required age to file for exempt status.

Name & Address of the Exempt School

Statement of Election

- Select one box only: The approval and accreditation requirements either, Box 1) violate sincerely held religious beliefs; or Box 2) interfere with your decisions in directing your child's education (AKA "other" reasons).
- If neither box is selected, NDE will assume you are filing under the "other" option which means you must comply with the immunizations requirements in Section 79-217 of the Revised Statutes of Nebraska with exception as provided in Sections 79-221 and 79-222.
