Committee Discussion on Teacher Shortages

Please spend 30 minutes discussing:

What are challenges or barriers resulting in a educator shortage? Why are they challenges or barriers?

What are some challenges and barriers to educator retention?

What are some possible solutions to the educator shortage issue?

Please spend 5-10 minutes to:

Identify your top 2 challenges/barriers and your top 2 solutions (don't have to be related)

Please spend 15 minutes to create some recommendations to the following questions:

What are some solutions or steps toward solutions that we should:

1. Easily address and how can we address them?
2. Identify as top priorities to develop and implement?
